

PARKVIEW PAW Back-to-School 2024

For the months of August, September, October

A Message from our Principals

Hello Parkview Middle School Families!

Welcome to Parkview Middle School! We are gearing up for the new school year right around the corner. On Monday, we will greet two sessions of 6th grade students for “Getting Ready for Middle School” as we witness all of the emotions of a new year and a new school on their faces...excitement, anticipation, nervousness, and everything in between.

Speaking of students, please mark your calendars for YOUR student’s first day of school which aligns with all K-8th grade schools in our district:

- **Wednesday, August 28th** - First Day of School for students with ***Last Names A - LeClair***
- **Thursday, August 29th** - First Day of School for students with ***Last Names Lee - Z***
- **Friday, August 30th** - SECOND Day of School for ***ALL students***

In order to help everyone settle in, have our students learn about all of the new updates at Parkview this year, and our students and staff to begin building relationships with one another in a smaller group setting, our “Soft Start” will once again occur on the first day of school for each of the two groups of students.

Please take the time to read through and make note of all of the important information contained in this newsletter and future ones. There are many important dates and upcoming activities for Parkview families and students that are important to add to your calendar now.

For families NEW to our DISTRICT, please plan to join us at *New Family Orientation* on Monday, August 19th from 6 - 7 pm at Parkview. If you can attend, please fill out the form located in this newsletter and a spot will be reserved for your student and their immediate family members.

We will continue to send out weekly communications in our Weekly Wednesday online envelope so that you will be up-to-date on a weekly basis about what's happening at Parkview that your student may (or may not) be telling you. 😊 To ensure you receive all communication throughout the school year, please make sure your preferred email address is updated in PowerSchool.

In addition to this newsletter, you can expect future communications according to this schedule:

- Winter Newsletter: November, December, January
- Spring Newsletter: February, March, April
- End of Year Newsletter: May, June

We wish you an enjoyable last few weeks of summer as we look forward to seeing our students back in the building very soon! Thank you for all you are doing in the coming days to prepare your student(s) for a successful and rewarding year ahead.

Sincerely,

Kris Hucek & Michael Heim
Principal & Associate Principal

SOFT SCHOOL START FOR 2024-2025

The start of the new school year is approaching quickly and we are FIRED UP to see students in our building again. It is going to be awesome to see familiar and new faces walking through the doors of Parkview Middle School.

Similar to last year, we will be changing up the the first few days of school and a "soft start" for all students. This will ensure our students feel comfortable with the layout of the building, have time to begin building relationships with teachers in smaller groups, can learn more about our school environment, and better understand Parkview procedures and routines. Below you will find a breakdown of the first three days of school:

Wednesday, August 28th - First Day of School for students with *Last Names A - LeClair*

Thursday, August 29th - First Day of School for students with *Last Names Lee - Z*

Friday, August 30th - SECOND Day of School for **ALL students**

Monday, September 2nd, 2024 - NO SCHOOL: Labor Day

STUDENT PICK-UP & DROP-OFF SAFETY GUIDELINES

Students who are transported by school bus will be picked up and dropped off in the bus loading zone on the west side of our building.

Students who are transported by automobile should be dropped off and picked up in the circular drive in front of our school.

Please remember, that as you pull into the driveway in front of Parkview to drop off your child, you need to be in the right-hand lane and stay in the right lane as you pull up as far as you can to the light post past the Parkview Middle School electronic sign. The left lane in the driveway is the pull-out lane parents need to use after dropping off their son/daughter to exit the driveway. Some students and parents have discovered that the driveway at the Community Center on Anderson Drive is a safe and convenient place for pick-up and drop-off. We also have permission for parents to use the parking stalls at Target as a drop-off/pick-up option.

Please do not park in the driveways of Target as this is a fire hazard.

Lastly, please, **DO NOT BLOCK THE HANDICAP PARKING SPACE** that is located at the front of our **building** at any time during drop-off or pick-up. It is FEDERALLY mandated that handicapped individuals have access to this parking spot at all times.
